

Volunteer Opportunities at the Lake County History Center

Be a part of the historical experiences enjoyed at the Center

The Lake County History Center Museum and Village offers volunteer opportunities for people of all talents. Take part in our Pioneer School, be a tour guide, or be involved in special events. Either way, the choices are vast and there are many friendly persons with the same interests and volunteer spirit that brings people back

again and again to our Center.

Choose from the listings below and a volunteer will call you to see where your interests lie and match you with just the right project or program.

Please join our Volunteer Association. Quarterly meetings of the Volunteer Association are held on Saturday mornings to better

acquaint you with the activities and future plans at the Center.

There are also a wide variety of committees that host events and plan programs that you may choose to join.
